

How to set up your 2 Factor Authentication.

This guide shows team members how to quickly enable two-factor authentication and complete their account setup so they can accept a team invitation and manage site pages. It walks through secure setup of an authenticator app, scanning the QR, saving recovery codes (only shown once), and completing profile access. Following it prevents lockouts and secures your account.

We have updated our terms & conditions

Gorilla Dash Solutions, Inc.

You must read and agree to the following terms and conditions before using the Gorilla Dash platform.

End User License Agreement (EULA)

Gorilla Dash Solutions Inc. ("Gorilla Dash" or "We") provides access to its software-as-a-service platform ("SaaS Platform" or "Service") which holds clients' customer and sales data. This EULA sets forth the terms and conditions under which you may access and use the SaaS Platform.

By using the Service, you acknowledge that you have read and understand this EULA, and agree to be bound by its terms and conditions. If you do not agree to this EULA, do not use the Service.

Grant of License.

Gorilla Dash grants you a non-exclusive, non-transferable, limited license to use the SaaS Platform for your business purposes only. You may not sublicense, assign or transfer any of your rights or obligations hereunder without the prior written consent of Gorilla Dash.

Restrictions.

You may not modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on the Service. You may not access the Service for the purpose of building a competitive product or service.

Confidentiality.

contemporaneous understandings or agreements, whether written or oral, regarding such subject matter.

Updates.

Gorilla Dash may update this EULA from time to time by posting a new version on its website or providing notice to you. Your continued use of the Service after such notice constitutes your agreement to the updated EULA.

Support.

Gorilla Dash may provide you with support services related to the Service. The level and availability of support may vary and shall be subject to separate terms and conditions, if applicable.

Severability.

If any provision of this EULA is found to be unenforceable, the remaining provisions shall continue in full force and effect.

Waiver.

The failure of Gorilla Dash to enforce any provision of this EULA shall not constitute a waiver of its right or provision unless acknowledged and agreed to by Gorilla Dash.

Survival.

The provisions of this EULA that survive the termination or expiration of the Service shall survive on confidentiality, intellectual property, limitation of remedies, and assignment.

Contact Information.

If you have any questions or concerns about this EULA, please contact Gorilla Dash at support@gorilladash.com.

Subject: Action Required: Secure your account with 2FA

Dear ,

To enhance the security of your account, we recommend enabling Two-Factor Authentication (2FA).

This adds an extra layer of protection to ensure that only you can access your account.

Please click the link below to set up your 2FA:

6 Click Set Up Two Factor Authentication.

7 Follow the prompts - Scan the QR Code and add the codes to an authenticator of your choice. We **recommend** Google Authenticator or whichever authenticator you're comfortable with. After you input your 6 digit code. **This will be your only time to save your recovery codes.** Make sure to download your recovery codes by selecting the gray arrow next to the list of codes or copy and paste it somewhere safe.

The screenshot displays the 'Gorilla Dash' dashboard interface. On the left is a sidebar with navigation links: 'My Dashboard', 'Notifications' (highlighted with a red badge showing '6'), 'My Calendar', 'My Support Tickets', 'Vendor Connect', 'My Organizations', and 'Dashboard & Notification Settings'. The main content area has a red header bar with the 'Gorilla Dash' logo and a hamburger menu icon. Below the header, the 'Notifications' section is active, showing three notifications from 'Transworld USA'. The first notification states 'Transworld USA Western Carolinas has added you as a team member' with 'ACCEPT' and 'REJECT' buttons. The second notification, dated 'Apr 21, 2026, 7:47 PM', states 'You have been invited to be an administrator of Transworld USA.' with 'ACCEPT' and 'REJECT' buttons. The third notification, dated 'Nov 5, 2025, 3:18 PM', states 'You have been assigned to the Transworld USA Western Carolinas tribe as an adm' with 'ACCEPT' and 'REJECT' buttons. A partially visible fourth notification is at the bottom.
